

CommonSingletonTest.h

```
graph BT; Singletoncpp[Singleton.cpp] --> CommonSingletonTesth[CommonSingletonTest.h]
```

The diagram illustrates a file dependency. A box labeled 'Singleton.cpp' is positioned below a box labeled 'CommonSingletonTest.h'. A blue arrow points from the 'Singleton.cpp' box up to the 'CommonSingletonTest.h' box, indicating that the C++ source file includes the header file.

Singleton.cpp
